Early Childhood Intervention (ECI) Providers

Services for eligible children less than three years of age with abnormal development or medical disorders. The following services are provided at no cost to the family regardless of income: Evaluation/assessment; Development of the Individual Family Service Plan (IFSP); Case Management; Translation and interpreter services. Families with children enrolled in Medicaid do not pay for any ECI services. Other families are charged a family cost share for some services. The cost to the family is based on family size and adjusted income after allowable deductions.
